UNIVERSITÄT BAYREUTH

CAMPUS AKADEMIE

gefördert durch:

Bayerisches Staatsministerium für Bildung und Kultus, Wissenschaft und Kunst

International Office University of Bayreuth

Course Overview

The Bayreuth International Summer School 2015 consists of three different courses held simultaneously in the areas of Economics & Management, Engineering & Material Science, and African Studies. All courses are conducted in English by internationally renowned guest professors and will take place over a period of two weeks. Participants devote around 6 hours each day to theoretical and practice-oriented seminars and discussions.

Advantage: Learning and working in a small group of 15-20 international participants.

Course Fee

The mandatory tuition fee is 500 € for a two-week course. Students from partner universities may qualify for reduced tuition or a waiver of tuition fees.

The Summer School team is happy to assist you in finding accommodation during the course, and we offer you the option of a room (300 €) and board (150 €) package which can be booked individually. Various evening events will be held during the week in addition to a welcome and farewell dinner, and on the weekends, we would be happy to welcome you along on our all-inclusive guided trips to the pulsating capital Berlin (190 €) and the enchanting Franconian town of Bamberg (30 €).

We are looking forward to welcoming you to the University of Bayreuth!

Certificate

Upon regular attendance of the course, active participation and short presentations, participants will receive a certificate with ECTS credits.
