To: Associate Prof. Eva Reid,
Faculty of Education
Constantine the Philosopher University in Nitra

Dear Prof. Reid!

The National Institute of Education of the Republic of Belarus takes this opportunity to express its gratitude to you for your consent to participate in the online-conference "Educational models and practices of working with gifted children" that will take place on June, 3rd 2021.

Your presentation is scheduled for June, 3rd at 13.20 (CET).

Your keynote and expert opinion are highly important for the educational community of Belarus and we believe that the knowledge you will share will help immensely in the development of gifted education in our country. It is our collective efforts and thoughts on best practice that will bring us closer to building a sustainable society with great and equal learning opportunities and a safe learning environment.

Thank you for your contribution and we are looking forward to meeting you at the online conference!

Director of the National Institute of Education of the Republic of Belarus — Ginchuk V.V.
