Professor RNDr. Libor Vozár, CSc.
Rector of Constantine the Philosopher
University in Nitra

Dear Rector,

On behalf of the Financial University under the Government of the Russian Federation, please accept our appreciation for the excellent job Martina Pavlíková and your staff have done over the year in the joint international students' scientific project «Academic environment in terms of global digitalization (the evidence from Slovakia and Russia)».

Thanks to Dr. Pavlíková's leadership, professionalism and dedication combined with Constantine the Philosopher University staff's and students' teamwork and energy we have completed the project successfully, presented the results of the scientific work at Humanities and Social Science Congress held on June, 2-4 2021. Currently, we are planning to publish a joint scientific paper with the findings of the project.

We have achieved the main aim of the project: developed international students' scientific collaboration and implemented the results of the joint scientific work in academic environment of the universities.

Please accept our sincere gratitude for the successful cooperation and high level of professionalism in teamwork! We wish you and your entire team professional success and prosperity! We hope for long-term scientific projects in future.

We look forward to mutually beneficial international cooperation with Constantine the Philosopher University in Nitra.

Best regards,

Mikhail Eskindarov
Professor
Rector of the Financial University
